

# Universal Clips

The Largest Manufacturer of Worm-drive Hose Clamps in Southern Africa.

## 'P' CLAMP

'P' clamps also called the cable clamps can be used for permanent or semi permanent cables, harnesses, hose or pipe for fixing to practically any surface - where superior cableprotection, minimizing weight and retaining a strong hold is important.

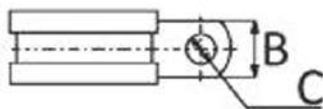

'P' clamps are particularly recommended for mounting pipes, electric cable ducting and hosing in a multitude of different applications.

A screw, bolt or rivet can be used to attach the cable clamp securely.

The clamps are manufacture from mild steel and are zinc plated for extended corrosion resistance. They come with EPDM rubber sleeve made to DIN 3016.

'P'-clamps are also available ,on request, in stainless steel for superior protection from harmful elements in marine applications or extreme weather areas.

Product Description	A-Cable DIA.mm	B-Cable Width mm	C-Bolt Size
